## Growing, Loving, Serving

Draw a BIG, red, plus symbol. Color it in with whatever you'd like and display it for all to see. This plus sign can be a cross, also a sign for emergency rooms, and even ambulances. As you make your red plus sign, pray for all those who are in emergencies right now and need God's love.

Please remember to let Kelsey know that you are participating so she can drive by and take photos to show off your drawings!

## Sacred Space

For the rest of our time together this summer, we will be learning about crisis workers as our neighbors. For this week, please bring something that comforts you. Maybe it's a blanket or maybe it is a stuffed animal. Bring that item to your sacred space and pray over it, letting everyone around hold it while you pray for comfort for you and all others in the world who may need it.
